

Single Hanging Battery Tray

Model: LL-BLBT-H

Instructions

1. Assemble the Battery Tray as shown.
2. Hang Tray over horizontal canopy beam.
3. Spacer bracket should rest on vertical boat lift post.
4. Place Battery or Battery Box onto the tray.
5. Secure the Battery or Battery Box on the tray.

NOTE: For best results use a 12v Marine Deep Cycle Battery, Size Group 24 with a Group 24 plastic battery box/tub.
